

MERITORIOUS OPERATION HEALTH PHYSICIST AWARD – 2023

Call for Nominations

Indian Association of Radiation Protection (IARP) has instituted “Meritorious Operational Health Physicist Award (MOHPA)” from 1996 onwards. It is open to Operational Health Physicists working at any of the DAE installations covering the entire Nuclear Fuel Cycle Operations, from mining and milling of radioactive materials to finally dispose of radioactive wastes. Radiological Safety Officers belonging to the Institutions of DAE family will also be eligible for this award. The nominations may please be sent to the undersigned by the heads of the plants / units / officer-in-charge, HPUs for this purpose. The nominees should fulfill the following requirements:

- a) He should have served as Operational Health Physicists in any of the above-mentioned fields for a minimum period of 10 years.
- b) He should have made significant contributions in the area of radiological safety.

The award will consist of a citation and cash prize / medal and will be presented to the best nominee adjudged by a selection committee formed for this task. The nominations should have the following details:

1. A brief of the nominee including the nominee’s full name, date of birth, academic and professional qualifications and address for communication (including telephone, fax number and E-mail ID).
2. Short write-up (not exceeding 300 words) highlighting major contributions of the nominee.
3. List of relevant publications.
4. Name and address of at least two referees of professional standing who are familiar with the nominee’s achievements.
5. Name, designation, address and signature of the nominating person.

The nominations may please be sent to the following address on or before December 20, 2022.
